Social Media Responsibility Checklist

Do's

- **Audit Privacy Settings:** Regularly check who can see your posts and tagged photos.
- **Network Professionally:** Use LinkedIn to connect with alumni and industry leaders.
- **Think Before You Post:** Consider if you'd be comfortable with a recruiter seeing the content.
- **Showcase Achievements:** Share projects, certifications, or volunteer milestones.
- **Verify Before Sharing:** Ensure news is from credible sources to avoid spreading misinformation.

Don'ts

- **Don't Post During Class:** This signals a lack of engagement to potential academic or professional observers.
- **Don't Share Confidential Info:** Never post details about research, exams, or internship projects.
- **Don't Engage with Trolls:** Avoid public arguments that leave a permanent, negative digital footprint.
- **Don't Badmouth Others:** Avoid venting about professors, classmates, or employers.
- **Don't Overshare Personal Data:** Keep your specific location and private schedule off public forums.
